Helping Hand Home for Children, Austin, Texas, 2009-2010

PERSONAL INTERESTS

I'm lucky that my career is my passion; I spend a lot of time creating video and photos outside of work because that's what I love. When I'm not experimenting with photo or making (knitting, cooking, sewing, growing), I prefer being outside (camping, hiking, exploring with my dog).

SKILLS

Production

Photography, Videography and Audio capture
